

## GUS CONSTANTINE VLAHOS

SEPTEMBER 4, 1930 – AUGUST 26, 2014

Gus (Constantine) Vlahos was born in Montreal, Quebec in Canada on September 4th, 1930. His father came from Milos, Greece and his mother from the Ukraine.

From first through sixth grade, Gus attended the Greek Orthodox School in Montreal during the day where he learned Greek, English and French. Additionally, at night he attended Ukrainian classes learning the language of his mother. Having completed his Grade School studies at Greek School, he went on to graduate from Montreal High School.

On June 28th, 1953, Gus married the love of his life, Helen Notar, also of Greek heritage. They had attended Greek School together and were in the same classes. God blessed Gus and Helen with three beautiful daughters: Carol, Vickie, and Joanne, nine grandchildren and nine great-grandchildren. The family moved to Fullerton, California where Gus worked as an industrial engineer at Mattel Toys. After twenty-three years in Fullerton, the family moved to Murietta, California. Gus next moved to Qualicum Beach in Vancouver, British Columbia and eventually he and Helen moved to Hayden, Idaho in 2012.

Gus also did a lot of volunteer work for the Hayden Senior Center, the Coeur d'Alene Center and the Post Falls Bank. He was a wonderful husband and a great dad. He enjoyed life, entertained people with his jokes and made people laugh. He lives on through his children, grandchildren and great-grandchildren. What a beautiful legacy!

***. May his memory be eternal!***
