Heat the rest of the beans in the microwave the same way until all beans are heated. By the time people come into eat all beans should be heated or close to it. Peanut Butter and Jelly Sandwiches:

- 1)** Loaf of bread will be in pantry area along with Peanut butter and Jelly (use Jelly in fridge first).
- 2)** Roll out about 6ft of paper towels on counter and lay bread slices out in twos then spread the PB&J and cut into halves.
- 3)** Place on platter and then cover air-tight with plastic wrap so the bread doesn't go stale, then place on table.

- 1)** Before Liturgy put paper plates and eating utensils on the table. Also put tongs and/or other serving utensils.
- 2)** After Communion but before the people come in finish setting the table by brining the salad and dressings out (backup supply of dressings are on shelf in "pantry" area), and putting cold water and juice on beverage table.

(If Lenten then put a note that the cheese is DAIRY)
