

NICHOLAS KUPCOW
JULY 12, 1959 – MAY 23, 2014

Born July 12, 1959 and reposed in the Lord on May 23, 2014, Nick Kupcow will be forever remembered as a loving: son, brother, husband, father, grandfather/dyeda and friend.

Nick was an extremely generous man who lived for his family and was absolutely adored. He had his own unique way of showing how he felt, but you always knew it was genuine and came from his heart. Once someone met him, they had a friend for life; Nick never met a stranger. His personality always lit up the room; his presence could be felt immediately in any setting, including his thundering voice found in each laugh, song and everything in between. Everyone was drawn to him and he truly enjoyed bringing a smile to each face.

Nick's legacy and memory will live on through his beloved children: son Nicholas and wife Tamara, daughter Nicole and husband Nick, son Sean and fiancé Janie; together with his mother Tania, brother Tony and sister Irene; his precious granddaughters, Abigail and Penelope, plus his nieces and nephews. Nick was preceded in death by his father Stefan and his late ex-wife Deb.

May his memory be eternal!
